The dog will not be the subject of, nor subjected to any biological, chemical, psychological or other experiments, nor shall the dog be subjected to shock collars or other cruel means of training. ____ (initial)
6. Adopter expressly covenants and agrees that the adopted dog shall not be subjected to any form of cosmetic surgery or alteration including, but not limited to, ear cropping, tail docking, dew claws, removal of rescue microchip etc., as such procedures are extremely painful for the dog and do not provide the dog with any actual benefit. ____ (initial)
7. Adopter recognizes that, although LSPR has made every possible effort to provide a dog which is compatible with the Adopter's home environment, LSPR does not warrant the temperament or

behavior of the dog and will not be liable for any acts of dog while living with Adopter, nor for any costs, expenses or damages incurred as a result of the dog's conduct. _____ (initial)

15. Adopter also certifies that their property is fenced (as discussed) and if adopter moves, the new property will be fenced prior to the dog entering the property. Invisible fence MUST be pre-approved in all cases by the President of LSPR and only, IF approved, installed by a professional fence company. Invisible fence is not considered adequate fencing as other dogs can enter your property and attack or steal your dog. In certain instances, adoption will be approved when there is no fence. If the dog is not being cared for in a manner consistent with the above representations and/or the representations made by Adopter on the Application, Adopter agrees that LSPR, or any authorized individual acting on its behalf, may reclaim the dog and place it in another home without payment or compensation to Adopter.. _____ (initial)
